

NEWARK ENROLLS

A CHOICE FOR ALL STUDENTS

2023-2024 ENROLLMENT PROCESS

A GUIDEBOOK FOR FAMILIES AND STUDENTS APPLYING TO PUBLIC SCHOOLS IN NEWARK

Cecilia Flores
13th Avenue Elementary School

LETTER FROM THE SUPERINTENDENT

Dear Newark Families,

I am excited to share the eighth annual edition of the Newark Enrolls school guidebook with you. For each of the schools, you will find a one-page profile that provides important information about the schools in our unified enrollment system process. We are excited to continue our partnership with SchoolMint, our online platform which has simplified the online application. While the overall process remains the same, we have taken advantage of enhanced mobile features, an interactive school finder, and a streamlined online registration process. As our partnership with SchoolMint continues, we will introduce even more features.

This year's guidebook includes:

- A full page of family-friendly information for every participating PK-12 school
- Details about sports, clubs, community partnerships, and before and after school opportunities
- Robust academic performance data (e.g.: NJSLA scores; high school graduation rates, etc.)

We hope that this guidebook will help you choose schools that will provide the best education possible for your children and set them on a path to success.

In addition, over the last few years, we have collected feedback from families, students, educators, and community leaders about how to make the enrollment process better and ensure that it works for you. We have taken that feedback into consideration and have made the following improvements:

- Created a family-friendly online application
- Improved sibling matching to ensure siblings are placed in the same school, whenever possible
- Increased priority for geographic preference to ensure that all children (from within the neighborhood) have access to neighborhood schools first, before students from outside the neighborhood

Families interested in participating in the enrollment process should visit www.newarkenrolls.org to:

- Attend the School Fair on November 5, 2022
- Learn about school options through the new School Finder system
- View a calendar of virtual open houses and enrollment events taking place at schools throughout the city
- Submit an application for their children

Please remember that if you are happy with your child's current school and their next grade and/or program is available at that school, you do not need to complete the application process. Your child will automatically continue their enrollment at their current school.

The application process dates are:

- November 5, 2022 - Application Window Opens at 3:00 pm
- February 3, 2023 - Application Window Closes at 11:59 pm
- February 10, & 17, 2023 - Admissions Test for NBOE 8th graders
- February 11, & 18, 2023 - Admissions Test for Non-NBOE 8th graders

While we know that this has been a school year like no other, we thank you for your partnership, and look forward to supporting you and your children as you consider the incredible school options for the 2023-2024 school year.

Sincerely,

Roger León
Superintendent
Newark Board of Education

GUIDEBOOK USE - CHOOSING A SCHOOL

Welcome to the Newark Enrolls Guidebook!

This guidebook is intended to provide information to help you make a school choice for your child(ren) in the city of Newark through the Newark Enrolls Universal Enrollment application process. Given the number of participating schools across the city, families are given the opportunity to choose the right school for their child(ren) at almost every school in Newark.

How to begin choosing a school?

This guidebook is a great place to start! Consider some of these points:

What does your child enjoy most about school? What experience do you want your child to have at school?	<ul style="list-style-type: none">• Newark offers a variety of school options. This guidebook is designed to give you an overview of the academic rigor and extracurricular opportunities that each school offers. Each school has a profile filled with information.• This book includes public schools (operated by the Newark Board of Education) and many, but not all, charter schools (operated by independent organizations, yet adhering to the same educational requirements as district schools). Some charter schools do not participate in the Newark Enrolls Universal Enrollment application process, so they are not included in this guidebook.
Does your child have any special considerations?	<ul style="list-style-type: none">• Find information regarding special education and physical accessibility on page 124.• Find information regarding bilingual/ESL programs on page 130.• Find information on private pre-k providers along with NBOE providers (both offer the same curriculum for pre-kindergarten children) start on page 17.
Practical information: Where is the school? How long is the commute? Are before-school or afterschool programs available?	Find all of that information on each school profile, on the top and on the right side of the page. Visit our School Finder at: www.newarkenrolls.org
Visit the school!	A school visit is always an option for you. Making a school choice can (and should) include more information than this book contains. Talking with staff and seeing the school can be extremely informative, and is encouraged. Please call the school to schedule a school visit. Phone numbers for schools are included on each school's profile page in this guidebook.
Narrow down to a list of 8 top choices and submit an application via www.newarkenrolls.org	In order to submit your application, for the 2023-24 school year, verify this information: <ul style="list-style-type: none">• Does the school participate in Newark Enrolls? (All NBOE schools and most charter schools do.) Non-participating charter schools will require separate applications. Please contact the school directly.• The application window for next school year is November 5, 2022 - February 3, 2023.

FREQUENTLY ASKED QUESTIONS ABOUT THE NEWARK ENROLLS PROCESS

Visit www.newarkenrolls.org for the most up to date information on the application, frequently asked questions, and matching policies.

1. Will my student receive their first choice?

- The only reason a Newark student would not get into his or her first choice would be if the school does not have enough seats for all applicants.
- When a student does not receive his or her first choice, the matching process will move down the student's list of schools in order to place the student in his or her highest-ranked school with available seats.

2. How many families get into their top choice?

- Last year, 87% of Kindergarten students were matched to their first choice.
- Last year, 95% of Kindergarten students were matched to one of their top 3 choices.

3. Can my student be matched to a school that isn't listed on his/her application?

- In rare cases, if a student needs a new school and only lists one or two schools, the student may be matched to their neighborhood school if the number of applicants exceeds the number of seats at their ranked schools.*
- Applicants are never matched to a charter school unless they list it on their application.

4. I would like my children to attend the same school as their sibling. What should I do?

- With the exception of magnets and some specialized schools, applicants who have a sibling currently attending the school receives the highest priority at the school.
- Siblings who are applying at the same time receive priority to be matched together. If one of the students is matched to a school, his/her sibling(s) will be given preference to be matched to the same school.

5. How does the neighborhood preference work?

- Seats in these schools are prioritized for siblings first. All remaining seats are prioritized for students who live within the neighborhood.

6. How does the magnet and specialized schools matching process work?

- District magnet and specialized schools have admission criteria. These schools rank all applicants using different criteria including standardized test scores, grades, and attendance. Some may also require an audition or an interview.
- All students can apply for admission into a magnet school.
- Sibling priority does not apply to magnet schools.
- ***Please review the magnet criteria information listed on the school's information page and website.***

NBOE Magnet High Schools	
American History High School Arts High School Bard Early College High School	Science Park High School Technology High School University High School
NBOE Specialized High Schools	
Eagle Academy for Young Men Newark School of Data Science & Information Technology Newark School of Fashion & Design	Newark School of Global Studies Newark Vocational High School

****Please make sure you have your children under one schoolmint account.***

Stage 1

NOVEMBER 5 - FEBRUARY 3

Who should fill out an application?

- Students who are enrolling in school for the first time.
- Students who are in the last grade of their current school and need a new school for next year.
- Students who need a change in their school for next year.

How will families learn about their match?

- Families can log into their SchoolMint account if they submitted an application online at www.newarkenrolls.org.
- Families can also learn about the status of their application at their current school.
- We will notify you via email or text message when matches are available.

Stage 2

MID APRIL

Stage 3

LATE APRIL - JUNE

School Registration/Enrollment

When you receive a match:

- You must register by completing the registration packet in SchoolMint.

TIPS FOR APPLYING

COMPLETE THE APPLICATION ONLINE

STEP 1: Visit the Newark Enrolls website:

- www.newarkenrolls.org

STEP 2: Verify that you have access to your School Mint account.

Need an account? Request one at www.newarkenrolls.org

STEP 3: Complete the application by the **February 3, 2023** deadline date.

If you need assistance please contact your child's current school.

TIPS FOR APPLYING

Submit your application during the application window before February 3!

- All families who apply during this period have an equal chance of being matched to schools.
- Families who apply after the application deadline will only have access to schools with remaining seats.

Rank your schools on the application in order of preference.

- **Put a mix of school types on your application.**
 - For High School students, make sure to include schools that match your child's interest.
 - All magnet schools rank students based on academic profile which includes grades, attendance, and test scores. In some cases, an audition, writing assessment, or interview may be required.

Check the commute for all schools on your list.

- **Make sure you have a transportation plan for each one, since you may be matched to any school on your application.**
 - Students in 8th grade or below, are eligible for New Jersey Transit bus tickets if they live more than **2 miles** from their school.
 - Students in 9th grade or above are eligible for New Jersey Transit bus tickets if they live more than **2.5 miles** from their school.

Visit www.newarkenrolls.org for the most up to date information on the application timeline, frequently asked questions, and resources.

DISTRICT DATA SUMMARY

STUDENT ENROLLMENT (2021-2022)

Grades	Enrollment	Percent of Total Enrollment
Pre-K	2,337	6.2%
K-8	24,461	64.5%
9-12	11,113	29.3%
Total Enrollment	37,911	100%

STUDENT RACE & ETHNICITY (2021-2022)

Race & Ethnicity	Enrollment	Percent of Total Enrollment
Hispanic	19,341	51.0%
Black or African American	14,731	38.8%
White	3,190	8.4%
Asian	336	<1%
Native Hawaiian Pacific Islander	92	<1%
American Indian or Alaska Native	145	<1%
Unspecified	76	<1%
Total Enrollment	37,911	100%

FAMILY INCOME (2021-2022)

Meal Subsidy Status	Enrollment	Percent of Total Enrollment
Free Lunch	28,377	74.8%
Reduced-Price Lunch	2,854	7.6%
Paid Lunch (Income above the qualifying threshold)	6,680	17.6%
Total Enrollment	37,911	100.0%

ADDITIONAL DEMOGRAPHICS (2021-2022)

Disability Classification	Enrollment	Percent of Total Enrollment
Special Education	6,583	17.4%
Limited English Proficient	8,301	22.0%
*A number of students are designated as both in need of Special Education and English Language Learner services		

ADDITIONAL STUDENT OUTCOMES (2021-2022)

Measure	
Average Daily Attendance	92.4%
Percent of Students who were Chronically Absent (missing 10% or more of school days)	25.7%
Four-year graduation rate	84.4%*
*Graduation rate is projected. Graduation appeals are still under review with the state.	

HOW TO READ THE SCHOOL PROFILE PAGES

TITLE		INFORMATION
Seat Availability	Entry Grade	Grade level where the school admits most of its students and/or grade where the school starts.
	Total Number of Seats in Entry Grade	The number of seats available in the entry grade this year.
	Percentage of applicants who listed this school first and were matched to this school	The percent of students who ranked the school #1 on their application and who were matched to the school. For example, if the number is 75%, it means that only 75% of students who ranked the school #1 were matched to the school.
Additional School Data	Average Daily Attendance	For district schools, the average daily attendance was calculated by adding all of the total present days of attendance for all students divided by the total days enrolled for all students. For charter schools this information was self-reported.
	Percentage of Students Chronically Absent	Percent of students who are “chronically absent” for any reason, e.g., excused, unexcused, etc. during the 2021-2022 School year. “Chronically absent” is defined as missing 10% or more of the days the student is enrolled. For charter schools this information is self reported.
Percentage of Students who scored proficient and above on NJSLA	English Language Arts Mathematics	NJSLA: New Jersey requires students to take the NJSLA assessments. These test are designed to determine proficiency level - a measure that determines if a student has mastered the state standards for knowledge and skills for their current grade level. The percentage reflects the proportion of students who scored “proficient” or above on the 2021-2022 NJSLA exam.
Average Section Size		For high school grades the average section size is calculated based on the number of students in typical sections, excluding self-contained, lunch, and online sections. Sections taught by the same teacher at the same time were summed together.
Access to Technology	Number of Chromebooks per school	Calculated from internal district records of technology assets.
Graduation Rates	4-Year Graduation Rate	The percentage of students at the school who entered 9th grade four years earlier (in Fall 2018) and graduated in 2022. This cohort also includes transfers into the school and excludes students who were verified as transferring out. For charter schools this information is self reported.
Postsecondary Enrollment Rates	Total Percent Enrolled	This represents the percentage of high school graduates who enrolled in a post-secondary institution. The available data is from the New Jersey Department of Education 2020-2021 Performance Reports. The most recently available data is based on the cohort of graduates 16-months prior (i.e. 2020-21 data is based on the 2020 cohort of graduates).
	Percent Enrolled in a 2-Year College	This represents the percentage of high school graduates who enrolled in a two-year post-secondary program out of all of the students who enrolled in a post-secondary program of any kind.
	Percent Enrolled in a 4-Year College	This represents the percentage of high school graduates who enrolled in a four-year post-secondary program out of all of the students who enrolled in a post-secondary program of any kind.
Teacher Data	Percent of Teachers employed with NBOE for 5+ years	The percent of teachers with five or more years of experience as of the end of the 2020-21 school year. This indicator excludes experience gained outside of NPS. Positions include all instructional staff (i.e., all those evaluated on the Framework for Effective Teaching) at school sites. Instructional staff includes all subject teachers and academic interventionists. This indicator excludes administrators.
	Percent of Highly Effective and Effective teachers retained from 2020-21 to 2021-22	The percent of teachers from the previous academic year (2020-21) still employed as teachers at the same school this academic year (2021-22) who received effective or highly effective evaluation ratings. These indicators describe within-school retention and not retention in the district.
	Student-Teacher Ratio	The ratio of student enrollment to certified teachers. Students were defined as those actively enrolled during the 2021-22 school year. Teachers were defined as those employees, as of June, 2022, with teacher certifications and includes Academic Interventionist and Teachers.
	Percent of Teachers with advanced degrees	Percent of teachers at each school whose highest level of education is either a Masters or Doctoral Degree. This data is from the 2020-21 NJDOE performance reports.

CITATIONS

- I. NBOE's Data, Research, and Evaluation homepage: <http://www.nps.k12.nj.us/departments/data-research>
- II. New Jersey Department of Education School Performance Reports
- III. Data self reported by charter school

An abstract painting featuring bold, black, swirling shapes and thick, textured brushstrokes in warm colors like orange, yellow, and red, set against a dark blue background. The composition is dynamic and expressive, with the swirling forms creating a sense of movement and depth. The text is overlaid on the central part of the artwork.

About Our School

Community Hills Early Learning Center (CHELC) provides quality care in a rich learning environment for children. It is located on the grounds of the Community Hills Town Home Development. Community Hills Learning Center is a state-of-the art early childhood education and childcare facility. CHELC provides full-time, year-round services. The primary program of providing nurturing care and quality educational experiences is supplemented by nutrition, health, and family support services. Children at our Center are encouraged to investigate, be inquisitive, and seek their own solutions. Our curriculum is flexible and geared to each child's interests. Each classroom is equipped with a complete array of educational materials, library, games, Smart Board, and other learning tools. Above all, our Early Learning Center is also involved in several partnerships that strengthen its mission of providing a high-quality program for students. Community Hills Early Learning Center ensures that children reach their fullest potential within a rich multicultural setting, focusing on the collaboration between parents, school, and the community.

About Our School

Established in 1975. Essex County College Child Development Center's mission is to provide nurturing, loving, high quality child care in an inclusive setting for working families and students in Essex county. Our full day program is structured with a focus on learning and the growth and development of children. Professionally trained teaching teams intentionally guide and support children with reaching important developmental milestones using an evidence based curriculum. Learning is individualized, as every child is unique and learns at their own pace. A variety of education materials are available to children that interest and challenge them. Families are invited and encouraged to participate in the decision making process by joining our Parent Advisory Board and Parent Center activities. Breakfast, lunch and snacks are served daily. Our Center environment is clean, hygienic and very inviting. Registration is open all year round. Preschool is free for all eligible Newark residents. The Programs for Parents subsidy is accepted with toddler registration.

About Our School

Newark Day Center refers to itself as "An old tree bearing new fruit". Our agency was organized in 1803 and since then has been providing educational and social services for children and families. Our early childhood program is located at 305 Halsey Street, at a historic landmark that has served generations of children. We provide early care and educational services for children 3 months through 6 years of age. Our innovative and holistic early childhood program gives children the opportunity to grow socially, physically and cognitively. We are currently serving over 200 children. Our program employees are highly qualified certified teachers who are fully aware and trained to implement the most current educational initiatives for young children. Our playground is a park-like setting that allows children to extend their learning with outdoor activities including gardening. Newark Day Center is your child's "home away from home". We welcome you to our family!

About Our School

Welcome to the Urban League of Essex County's (ULEC) Early Childhood Education Program. We focus on and are committed to cultivating the cognitive and social development of children through play-based learning. The ULEC provides learning opportunities that incorporate hands-on experiences in small classroom sizes and in outdoor learning spaces, while promoting a lifelong love of learning. ULEC utilizes the Creative Curriculum to build a strong academic foundation for students. The Creative Curriculum framework is based on developmentally appropriate practices to support the way children develop and learn.

About Our School

La Casa de Don Pedro is a Head Start/PreK early childhood center. We have six classrooms with certified teachers and highly qualified instructional staff. We offer a full day high quality preschool program for children ages 3-5. Our program recognizes that children mature at different stages, and they come from different cultural and linguistic backgrounds. In a nurturing and educational setting, students develop the necessary skills and abilities to achieve academic success. Our commitment to our community is the implementation of developmentally appropriate practices for all children in a safe and healthy learning environment as they grow. Our program provides bilingual and multicultural educational learning opportunities, technology, field trips, parent engagement and family support.

About Our School

Rainbow Land Learning Center strives to provide an environment where children feel emotionally, socially, and physically safe and accepted. Students are encouraged to explore not only curriculum and materials, but also their relationships with peers and adults. We encourage a strong home-school connection and offer multiple opportunities for parent engagement setting the tone for student success. Our goal in guiding the children is to move them towards independence and to have control of their own choices and behavior. The school environment is set up to encourage positive behaviors by providing engaging activities and arranging classrooms to meet the children's needs for learning and exploring. The students enjoy playtime spent indoors and outdoors as well as freshly prepared family-style meals cooked on site every day. Our staff and educators are multilingual and communicate with students and families in English, Spanish and Portuguese.

About Our School

La Casa de Don Pedro, 201 First Street is a NAEYC accredited site. We have eight classrooms with certified teachers and highly qualified instructional staff. We offer a full day high quality preschool program for children ages 3-5. Our program recognizes that children mature at different stages, and they come from different cultural and linguistic backgrounds. In a nurturing and educational setting, develop the necessary skills and abilities to achieve academic success. Our commitment to our community is to implement developmentally appropriate practices for all children in a safe and healthy learning environment as they grow. Our program provides bilingual and multicultural educational learning opportunities, technology, field trips, parent engagement and family support.

About Our School

Mount Carmel Guild Cares enables preschool-age children to learn life skills, responsibility, leadership, cooperation, conflict resolution and the art of compromise by teaching readiness skills in language arts, mathematics, social studies, science, and the arts. We believe the care we provide directly affects children's development at a crucial time in their lives. We also believe that we have a great influence in shaping who the child will become. We strive to continue learning and growing so that we can nurture our children in a warm, loving, and peaceful environment.

About Our School

Clinton Hill Community and Early Childhood Center, Inc. is a service-oriented agency, committed to the growth and development of the early learner. The core nature of our organization focuses on building a strong, solid foundation for children to learn the skills they need to succeed in the elementary years and beyond. From conception to Kinder, your child and your family will get the very best of our care. We believe children thrive best when they feel safe, secure, and confident. We maintain a low child to adult ratio and all our classrooms are staffed by credentialed and certified Teachers.

About Our School

Page Academy Child Care Center is located in the West Ward section of Newark, NJ. Providing over 20 years of quality Child Care. We are a State Licensed Facility that serves children ages 2 1/2 to 13 years old. Our facility is open year-round. Our agency provides healthy meals, transportation, extended day, and before and aftercare. Our agency participates in all voucher programs such as Programs for Parents. Our certified staff are bonded, fingerprinted and CPR Certified. Our teachers correlate their instruction around "The Creative Curriculum" - which is designed to foster social- emotional, physical, cognitive, and language development to enhance learning in literacy, math, science, and technology. Our mission is to provide early learners with a safe learning environment focusing on quality, creativity, and developmentally appropriate practices that enhances a child's ability to learn through play; that is centered around all children with unique personalities. We are truly a parent's partner in fostering Early Childhood Development.

About Our School

Abington Avenue School is a PK-8 public school with an emphasis on Science, Technology, Engineering, Arts and Math (STEAM). As a STEAM school, our vision is to be the preeminent leader in STEM and Arts education by combining academic rigor with social responsibility and mastery of the process of scientific inquiry. We offer extra-curricular programs and club activities, in reading, writing, math, science, coding, drama, and the performing arts.

Unique Fact

We were awarded the Newark STEAM Coalition Grant for a second year in a row. We continue to work with Disney Junior musicals. We are proud to announce that we have added Arabic to our activity teacher line up this year.

About Our School

East Ward Elementary was established in 2019 in the Ironbound section of Newark. It is our vision, as a school community, to build a school where each child is prepared to accept responsibility for their academics and behavior and respect everyone, regardless of race, nationality, economic status, or ability.

Unique Fact

We are a growing school. We have added an Annex and will grow one grade level each year until we reach 8th grade.

MAGNET HS | GRADES: 9-12 | WARD: CENTRAL | ENROLLMENT: 601 | SCHOOL CODE: 026

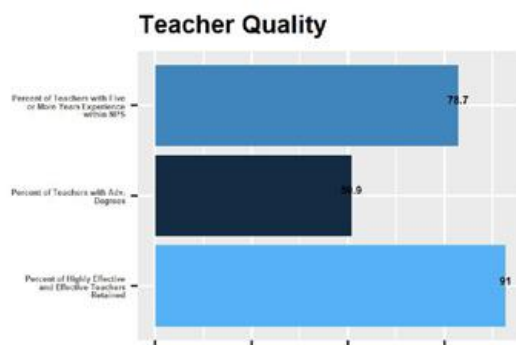

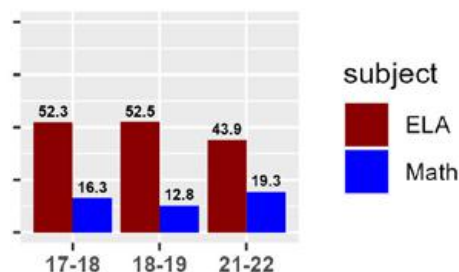

About Our School

With a long and distinguished history, Arts High School was the first public high school for the arts in the nation. The artistic flagship of the NBOE, today's Arts High offers rigorous artistic and academic programs for grades 9-12, enabling post-secondary matriculation to many of the best institutions in the country. Arts majors are offered in dance, drama, music, TV and media, and visual art.

Unique Fact

While primarily an arts school, Arts High's traditional academic program also offers Honors, AP, and Dual Enrollment at nearby universities. Students are eligible to elect another Arts form as a minor.

MAGNET HS | GRADES: 9-12 | WARD: CENTRAL | ENROLLMENT: 381 | SCHOOL CODE: 011

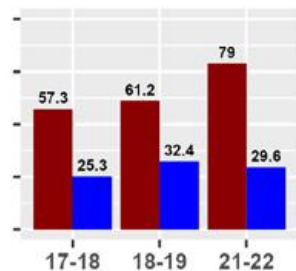

About Our School

Since its founding in 2011, Bard High School Early College Newark has offered Newark students an unparalleled educational opportunity. Through a partnership between Bard College and Newark Public Schools, we make it possible for students to earn both a New Jersey high school diploma and an Associate's Degree in four years.

Academic Spotlight

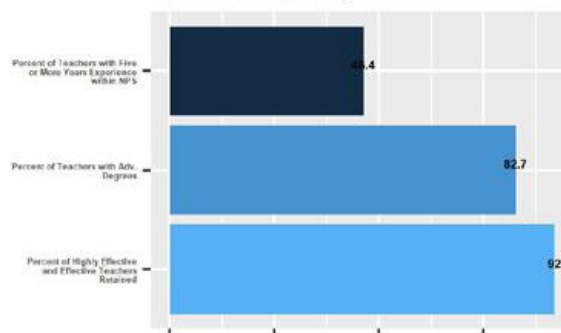

All Bard students successfully completing 10th grade matriculate into the college program and start earning college credits.

GRADES: 9-12 | WARD: NORTH | ENROLLMENT: 1,663 | SCHOOL CODE: 027

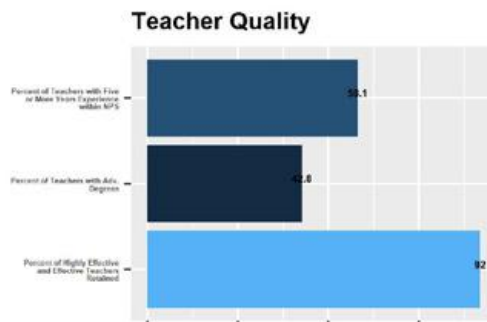

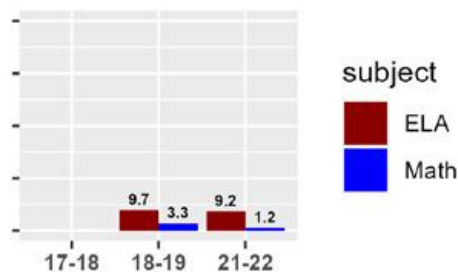

About Our School

Barringer high school was established in 1838, making us the oldest high school in New Jersey and one of the oldest in the Nation. At Barringer, our mission is to prepare all students to become lifelong learners and responsible citizens ready to meet the challenges of the future. As educators, we understand the four R's: Relevance + Rigor + Relationships = Results. We aim to provide a learning environment that promotes the social and emotional growth of every student, along with multiple opportunities to experience new methods of learning.

Unique Fact

Our premiere academy is the Law Academy. We also offer a differentiated Career and Technical Education programs such as carpentry, music technology, Law and Public Safety, Cybersecurity and Junior ROTC. In addition, we offer students a variety of Visual and Performing Arts courses such as Dance, Art, Vocal Music and Drama.

GRADES: 9-12 | WARD: CENTRAL | ENROLLMENT: 838 | SCHOOL CODE: 028

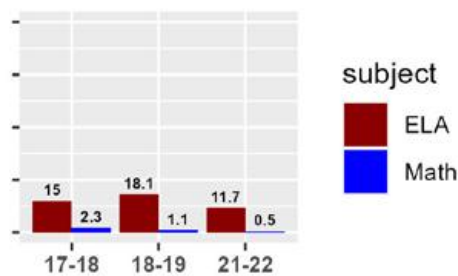

About Our School

At Central High School, teachers and staff educate the whole child by focusing on preparing all students for college and career success. They support all students' needs by designing and carrying out programs that offer all students a rich educational experience and opportunities for students to explore academy careers and interests through external partnerships.

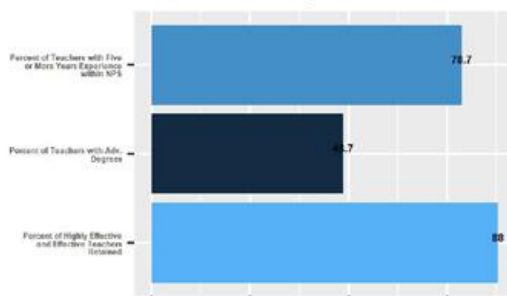

Unique Fact

Our premiere academies include the Dental Academy and Environmental Studies Academy. Students accepted in the Dental Academy are engaged by 2 dental hygienists in a state-of-the-art dental lab. Students accepted in the Environmental Studies Academy are engaged in internships that give students hands-on experiences needed to prepare them for environmental careers. Students enrolled in AP and Dual Enrollment courses can earn college credit used towards a Bachelor's Degree.

About Our School

The Newark School of Fashion & Design prepares students to explore their academic and creative potential through the lens of fashion and design by leveraging the design process across the curriculum to afford students space to imagine, problem solve, and collaborate in preparation for future success. The Newark School of Fashion & Design is powered by Parsons School of Design which gives our students a cutting-edge advantage to learning the latest aspects and advancements of fashion & design as early as high school.

*The Newark School of Fashion & Design is among the new schools that Superintendent León has opened or reopened since his appointment in May 2018.

Unique Fact

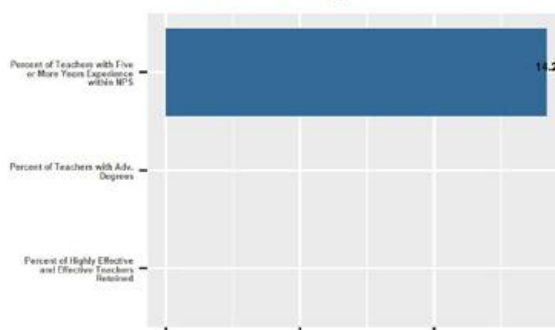

Newark School of Fashion & Design students attend the Misa Hylton Jr Fashion Camp in NYC each July. They also compete in FCCLA National fashion competitions and won 1st place. We also engage in other rich educational experiences such as fashion & design aligned trips to the Blueprint Denim Washhouse in Jersey City, NJ, Parsons School of Design, and various Fashion Week Shows.

GRADE: 9-12 | WARD: CENTRAL | ENROLLMENT: 514 | SCHOOL CODE: 041

About Our School

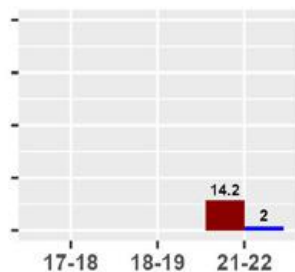

Newark Vocational High School offers scholars a renowned academic experience with professionals that will help you "soar to new heights." Whether you choose Culinary Arts, Hospitality & Tourism or Graphic Design, our 4-year Career & Technical Education guarantee that scholars will have the necessary skills to succeed in their selected career pathway. Scholars will have the opportunities to explore and develop their talents both within and outside the classroom. We are a unique high school with amazing opportunities to offer you, through various job opportunities. Co-curricular activities include athletic programs, student council government, anime/manga, photography, newspaper, boxing and many more clubs.

Unique Fact

Our 9th and 10th grade scholars participated in the Prudential Actuary Science program typically for 11th graders. For the FCCLA competition our 11th graders won 2 gold, and 1 bronze medal. Another 11th grader won the Newark Stand & Deliver competition for 2022. Newark Public Schools District Print Shop on premises.

*Newark Vocational High School is among the new schools that Superintendent León has opened or reopened since his appointment in May 2018.

About Our School

University High School is a college preparatory magnet school in the city of Newark, educating roughly 500 students in grades seven through twelve. Since inception in 1969, the main objective of University High School has been to prepare each student for college. We offer a rigorous humanities curriculum with opportunities for Advanced Placement and dual enrollment college level courses.

Unique Fact

At University High School, our scholars R.I.S.E. (Responsibility, Integrity, Service, and Excellence) everyday in every way! University High School houses the Thurgood Marshall Law Academy aimed at preparing future lawyers of tomorrow and the Phoenix Rising Teaching Academy which offers 30 college credits.

IDENTIFICATION PROCESS FOR ENGLISH LANGUAGE LEARNERS

In order to properly identify and support English language learners, the New Jersey Department of Education has developed an identification process which all districts must follow.

All parents/guardians complete a Home Language Survey (also known as the HLS) located in the SchoolMint application. The HLS assists in identifying if a student is a potential English language learner. The HLS is reviewed by the school's Bilingual Needs Assessment Teacher (BNAT).

Once a student is identified as a potential English Language Learner, the BNAT will conduct a review of the student's records during the Records Review Process.

If the Records Review Process continues to note that the student is a potential English Language Learner, the student will be assessed using the WIDA Screener. The WIDA Screener specifically assesses students' English language proficiency level.

Parents/guardians of students who are assessed using the WIDA Screener will be notified of student scores, and eligibility for English language services by the school's BNAT, will receive program information from the school's BNAT and services will be offered.

PROGRAM DESCRIPTIONS

In accordance with New Jersey Bilingual Education Administration Code, the Newark Board of Education provides the following bilingual programs to English Language Learners with the goal of supporting linguistic and academic achievement in more than one language.

Types of Programs

Transitional Bilingual Education

A transitional Bilingual Education Program provides instruction for English learners utilizing English and students' native language for literacy and academic instruction, with the goals of language proficiency and academic achievement in English.

These programs are typically found in kindergarten through grade twelve.

Transitional Bilingual - Full Time

- Instruction in speaking, listening, reading, and writing in the native language of the English Language Learner in core subjects.
- Helps students achieve proficiency in English, as well as content knowledge to meet the New Jersey Student Learning Standards.
- At least 1 daily period of English as a Second Language (ESL) instruction.

Transitional Bilingual - Part Time

- A program alternative in which students are assigned to mainstream English program classes, but are scheduled daily for their developmental reading and mathematics instruction with a certified bilingual teacher.
- Students also receive at least 1 daily period of English as a Second Language (ESL) instruction.

English as a Second Language

- A daily developmental second-language program of at least one period of instruction that teaches comprehension, speaking, reading, and writing in English using second language teaching techniques, and incorporates the cultural aspects of the students' experiences in their ESL instruction.

English as a Second Language, High Intensity

- A program alternative in which students receive two or more class periods a day of ESL instruction. One period is the standard ESL class, and the other period is a tutorial or ESL reading class.

Sheltered Instruction

- A program alternative in which students receive one daily period of standard English as a Second Language.
- Teachers in Sheltered Instruction classrooms are content-certified teachers who have received training on strategies to make subject-area content rigorous, culturally relevant, and comprehensible for English Language Learners.

BILINGUAL/ESL EDUCATION PROGRAMS

Please note that these are subject to change for the 2023-2024 school year. Please visit www.newarkenrolls.org for the latest information about program availability.

IMPORTANT TERMS

DISTRICT SCHOOLS: Are schools that are managed by Newark Board of Education. They are located throughout Newark and serve all grades.

CHARTER SCHOOLS: Charter schools are operated by their own Local Education Agency (LEA). Charter schools are free of charge and are open to all students living in Newark. Charter schools are located throughout Newark and serve all grades.

MAGNET AND SPECIALIAZED SCHOOLS: Magnet and specialized schools are NBOE Schools that offer specialized programs in grades 7-12 or 9-12. Any student can apply to attend a magnet or specialized school. Magnet and specialized schools consider academic and other criteria to rank students.

HEAD START: A school with Head Start offers an enhanced family oriented preschool program that offers nutrition, education, health and support services including individualized services, health and dental screening, family support, community resources and services to meet special needs.

- Proof of income is required for Head Start.

COMMUNITY BASED PROVIDER: Preschool providers are publicly-funded, privately managed schools for students eligible for Pre-K and offer comprehensive education, family and health referral services.

SIBLING PREFERENCE: Applicants who have siblings already matched to a school will have the highest priority to be matched to the school when there are seats available.

GEOGRAPHIC PREFERENCE: Students who apply to PK-8 schools in their geographic area will receive preference to be matched to those schools.

SPECIAL EDUCATION PREFERENCE: Students who have an Individualized Education Plan (IEP) and require special education services may receive a preference to be matched to a school of their choice that provide the services required by their IEP.

WAITLIST: Students who submit applications, but are not matched to schools through the application, are automatically added to a waitlist. **This only applies to charter school and district magnet school applicants.**

SCREENED: District magnet schools have additional criteria that students must meet to be considered.
