Dear Newark Families,

I am excited to share the seventh year of the Newark Enrolls school guidebook with you. For each of the schools, you will find a one-page profile that provides you with important information about the school in our unified enrollment system process. This year, we are excited to continue our partnership with SchoolMint, our online platform which has simplified the online application. While the overall process has remained the same, we have been able to take advantage of enhanced mobile features, an interactive school finder, and a streamlined online registration process. As our partnership with SchoolMint continues, we will introduce even more features.

This year’s guidebook includes:

- A full page of family-friendly information for every participating PK-12 school
- Details about sports, clubs, community partnerships, and before and after school opportunities
- Robust academic performance data (e.g.: NJSLA scores; high school graduation rates, etc.)

We hope that this guidebook will help you choose schools that will provide the best education possible for your children and set them on a path for success.

In addition, over the last few years we have collected feedback from families, students, educators, and community leaders about how to make the enrollment process better and ensure that it works for you. We have taken your feedback into consideration and have made on-going improvements in the following ways:

- Created a family-friendly online application
- Improved sibling matching to ensure siblings are placed in the same school, whenever possible
- Increased priority for geographic preference to ensure that all children (from within the neighborhood) have access to neighborhood schools first, before students from outside the neighborhood

Families who are interested in participating in the enrollment process should visit www.newarkenrolls.org to:

- Attend the School Fair on November 13, 2021
- Learn about school options through the new School Finder system
- View a calendar of virtual open houses and enrollment events taking place at schools throughout the city
- Submit an application for their children

Please remember that if you are happy with your child’s current school and their next grade and/or program is available at that school, you do not need to complete the application process. Your child will automatically continue their enrollment at their current school.

**The application process dates are:**

- November 13, 2021 - Application Window Opens at 3:00 pm
- February 11, 2022 - Application Window Closes at 11:59 pm
- February 18, & 25, 2022 - Admissions Test for NBOE 8th graders
- February 19, & 26, 2022 - Admissions Test for Non-NBOE 8th graders

While we know that this has been a school year like no other, we thank you for your partnership, and look forward to supporting you and your children as you consider the incredible school options for the 2022-2023 school year.

Sincerely,

Roger León
Superintendent
Newark Board of Education
Welcome to the Newark Enrolls Guidebook!

This guidebook is intended to provide information to help you make a school choice for your child(ren) in the city of Newark through the Newark Enrolls Universal Enrollment application process. All families are given the opportunity to choose the right school for their child(ren) at almost every school in Newark.

How to begin choosing a school?

This guidebook is a great place to start! Consider some of these points:

| What does your child enjoy most about school? | Newark offers a variety of school options. This book is designed to give you an overview of the academic rigor and extracurricular opportunities that each school offers. Each school has a full-page profile filled with information. |
| What experience do you want your child to have at school? | This book includes district public schools (operated by the Newark Board of Education) and many, but not all, charter schools (operated by independent organizations, yet adhering to the same educational requirements as district schools). Some charter schools do not participate in the Newark Enrolls Universal Enrollment application process, so they are not included in this book. |
| Does your child have any special considerations? | Find information regarding special education and physical accessibility on page 108. |
| | Find information regarding bilingual/ESL programs on page 114. |
| | Find information on private pre-k providers along with NBOE providers (both offer the same curriculum for pre-kindergarten children) start on page 17. |
| Practical information: Where is the school? How long is the commute? Are before-school or afterschool programs available? | Find all of that information on each school profile, on the top and on the right side of the page. Visit our School Finder at: www.newarkenrolls.org |
| Visit the school! | A virtual school visit is always an option for you. Making a school choice can (and should) include more information than this book contains. Talking with staff and seeing the school virtually can be extremely informative, and is encouraged. Please call the school to schedule a virtual school visit. Phone numbers for schools are included on each school’s profile page in this guidebook. |
| Narrow down to a list of 8 top choices and submit an application via www.newarkenrolls.org | In order to submit your application, for the 2022-23 school year, verify this information: |
| | Does the school participate in Newark Enrolls? (All NBOE district schools and most charter schools do.) Non-participating charter schools will require separate applications. Please contact the school directly. |
| | The application window for next school year is November 13, 2021 - February 11, 2022 of the current school year. |

FREQUENTLY ASKED QUESTIONS ABOUT THE NEWARK ENROLLS PROCESS

Visit www.newarkenrolls.org for the most up to date information on the application, frequently asked questions, and matching policies.

1. Will my student receive their first choice?
   • The only reason a Newark student would not get into his or her first choice would be if the school does not have enough seats for all applicants.
   • When a student does not receive his or her first choice, the matching process will move down the student’s list of schools in order to place the student in his or her highest-ranked school with available seats.

2. How many families get into their top choice?
   • Last year, 92% of Kindergarten students were matched to their first choice of school.
   • Last year, 98% of Kindergarten students were matched to one of their top 3 choice of school.

3. Can my student be matched to a school that isn’t listed on his/her application?
   • In rare cases, if a student needs a new school and only lists one or two schools, the student may be matched to their neighborhood school if the number of applicants exceeds the number of seats at their ranked schools.*
   • Applicants are never matched to a charter school unless they list it on their application.

4. I would like my children to attend the same school as their sibling. What should I do?
   • With the exception of magnets and some specialized schools, applicants who have a sibling currently attending the school receives the highest priority at the school.
   • Siblings who are applying at the same time receive priority to be matched together. If one of the students is matched to a school, his/her sibling(s) will be given preference to be matched to the same school.

5. How does the neighborhood preference work?
   • Seats in these schools are prioritized for siblings first. All remaining seats are prioritized for students who live within the neighborhood.

6. How does the magnet and specialized schools matching process work?
   • District magnet and specialized schools have admission criteria. These schools rank all applicants using different criteria including standardized test scores, grades, and attendance. Some may also require an audition or an interview.
   • All students can apply for admission into a magnet school.
   • Sibling priority does not apply to magnet schools.
   • Please review the magnet criteria information listed on the school’s information page and visit: www.newarkenrolls.org for the most up-to-date information.

NBOE Magnet High Schools
- American History High School
- Arts High School
- Bard Early College High School
- Science Park High School
- Technology High School
- University High School

*Please make sure you have your children under one schoolmint account.
APPLICATION PROCESS

Stage 1
NOVEMBER 13 - FEBRUARY 11

Who should fill out an application?
• Students who are enrolling in school for the first time.
• Students who are in the last grade of their current school and need a new school for next year.
• Students who need a change in their school for next year.

How will families learn about their match?
• Families can log into their Newark Enrolls account if they submitted an application online at www.newarkenrolls.org.
• Families can also learn about the status of their application at their current school.
• We will notify you via email or text messaging when matches are available.

Stage 2
MID APRIL

Stage 3
LATE APRIL - JUNE

School Registration/Enrollment
When you receive a match:
• You must register at your new school at www.newarkenrolls.org.
## COMPLETE THE APPLICATION ONLINE

**STEP 1:** Visit the Newark Enrolls website:
- [www.newarkenrolls.org](http://www.newarkenrolls.org)

**STEP 2:** Verify that you have access to your School Mint account.
Need an account? Request one at [www.newarkenrolls.org](http://www.newarkenrolls.org)

**STEP 3:** Complete the application by the **February 11, 2022** deadline date.

If you need assistance please contact your child’s current school.

## TIPS FOR APPLYING

<table>
<thead>
<tr>
<th><strong>Submitting Your Application</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Submit your application during the application window before February 11!</strong></td>
</tr>
<tr>
<td>• All families who apply during this period have an equal chance of being matched to schools.</td>
</tr>
<tr>
<td>• Families who apply after the application deadline will only have access to schools with remaining seats.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th><strong>Ranking Your Schools</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Rank your schools on the application in order of preference.</strong></td>
</tr>
<tr>
<td>• <strong>Put a mix of school types on your application.</strong></td>
</tr>
<tr>
<td>• For High School students, make sure to include schools that match your academic profile and non-magnet schools.</td>
</tr>
<tr>
<td>• All magnet schools rank students based on academic profile which includes grades, attendance, and test scores. In some cases, an additional audition, writing assessment, or interview may be required.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th><strong>Checking the Commute</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Check the commute for all schools on your list.</strong></td>
</tr>
<tr>
<td>• <strong>Make sure you have a transportation plan for each one, since you may be matched to any school on your application.</strong></td>
</tr>
<tr>
<td>• Students in 8th grade or below, are eligible for New Jersey Transit bus tickets if they live more than <strong>2 miles</strong> from their school.</td>
</tr>
<tr>
<td>• Students in 9th grade or above are eligible for New Jersey Transit bus tickets if they live more than <strong>2.5 miles</strong> from their school.</td>
</tr>
</tbody>
</table>

Visit [www.newarkenrolls.org](http://www.newarkenrolls.org) for the most up to date information on the application timeline, frequently asked questions, and resources.

**HOW TO READ THE SCHOOL PROFILE PAGES**

To view more information about NBOE district schools, please visit [http://www.nps.k12.nj.us/departments/data-research/](http://www.nps.k12.nj.us/departments/data-research/) to access the school summaries.

<table>
<thead>
<tr>
<th>TITLE</th>
<th>INFORMATION</th>
</tr>
</thead>
<tbody>
<tr>
<td>SEATS AVAILABLE</td>
<td>First grade level offered by the school.</td>
</tr>
<tr>
<td>Seats Available</td>
<td>The number of seats available in the entry grade this year.</td>
</tr>
<tr>
<td>Percentage of applicants who listed this school first and were matched to this school</td>
<td>The percent of students who ranked the school #1 on their application and who were matched to the school. For example, if the number is 25%, it means that only 25% of students who ranked the school #1 were matched to the school.</td>
</tr>
<tr>
<td>Average Daily Attendance</td>
<td>The average daily attendance was calculated by adding all of the total present days of attendance for all students divided by the total days enrolled for all students. For charter schools this information was self-reported.</td>
</tr>
<tr>
<td>Percentage of Students Chronically Absent</td>
<td>Percent of students who are “chronically absent” for any reason, e.g., excused, unexcused, etc. during the 2020-2021 School year. “Chronically absent” is defined as missing 10% or more of the days the student is enrolled. For charter schools this information is self-reported.</td>
</tr>
<tr>
<td>AP (Advanced Placement) Enrollment Rate</td>
<td>AP Participation rate was calculated by dividing the number of students enrolled in at least one AP course by the total number of students enrolled as of October, 15th, 2020.</td>
</tr>
<tr>
<td>Percentage of Students who scored proficient and above on NJSLA</td>
<td>New Jersey requires students to take the NJSLA assessments. These tests are designed to determine proficiency level mastery of the state standards for their current grade level. The percentage reflects the proportion of students who scored “proficient”.*1</td>
</tr>
<tr>
<td>Average Section Size</td>
<td>For elementary/middle grades the average section size is calculated based on the number of students in each homeroom section. Sections containing multiple grade levels taught by the same teacher at the same time were summed together. Data pulled June, 2020.</td>
</tr>
<tr>
<td>High School</td>
<td>For high school grades the average section size is calculated based on the number of students in typical sections, excluding self-contained, lunch, and online sections. Sections taught by the same teacher at the same time were summed together. Data pulled June, 2020.</td>
</tr>
<tr>
<td>Access to Technology</td>
<td>Calculated from internal technology inventory. Devices include: laptops, Chromebooks, and iPads.</td>
</tr>
<tr>
<td>Graduation Rates</td>
<td>The percentage of students at the school who entered 9th grade four years earlier (in Fall 2017) and graduated in 2021. This cohort also includes transfers into the school and excludes students who were verified as transferring out. For charter schools this information is self reported.</td>
</tr>
<tr>
<td>Total Percent Enrolled</td>
<td>This represents the percentage of high school 2019-2020 graduates who enrolled in a post-secondary institution by fall 2020. The available data is from the New Jersey Department of Education 2019-2020 Performance Reports.</td>
</tr>
<tr>
<td>Percent Enrolled in a 2-Year College</td>
<td>This represents the percentage of high school graduates who enrolled in a two-year post-secondary program of students who enrolled in any post-secondary school.</td>
</tr>
<tr>
<td>Percent Enrolled in a 4-Year College</td>
<td>This represents the percentage of high school graduates who enrolled in a four-year post-secondary program of students who enrolled in any post-secondary school.</td>
</tr>
<tr>
<td>Percent of Teachers employed with NBOE for 5+ years</td>
<td>The percent of teachers with five of more years of experience as of the end of the 2020-21 school year. This indicator excludes experience gained outside of NBOE. Positions include all instructional staff (i.e., all those evaluated on the Framework for Effective Teaching) at school sites. Instructional staff includes all subject teachers and academic interventionists. This indicator excludes administrators.*2</td>
</tr>
<tr>
<td>Percent of Highly Effective and Effective Teachers retained from 2019-20 to 2020-21</td>
<td>The percentage of teachers from the academic year (2018-19) still employed as teachers at the same school this academic year (2019-20) who received an effective or highly effective evaluation rating. These indicators describe school retention and not retention in the district.*2</td>
</tr>
<tr>
<td>Student-Teacher Ratio</td>
<td>The ratio of student enrollment to certified teachers. Students were defined as those actively enrolled during the 2020-21 school year. Teachers were defined as those employees, as of June, 2021, with teacher certifications and includes Academic Interventionist and Teachers.</td>
</tr>
<tr>
<td>Percent of Teachers with advanced degrees</td>
<td>Percent of teachers at each school whose highest level of education is either a Masters or Doctoral Degree. This data is from the 2019-20 NJDOE performance reports.</td>
</tr>
</tbody>
</table>

Artwork by: Isadora C. Galvez, Hawkins Street School
Artwork by: Zuleika Payamps, Luis Muñoz Marín Elementary School
Abington Avenue School is a PK-8 public school with an emphasis on Science, Technology, Engineering, Arts and Math (STEAM). As a STEAM school, our vision is to be the preeminent leader in STEM and Arts education by combining academic rigor with social responsibility and mastery of the process of scientific inquiry. We offer extra-curricular programs and club activities, in reading, writing, math, science, coding, drama, and the performing arts.

Unique Fact
We were awarded the Newark STEAM Coalition Grant for a second year in a row. We continue to work with Disney Junior musicals. We are proud to announce that we have added Arabic to our activity teacher line up this year.

ACHIEVE CLINTON HILL
CHARTER SCHOOL
Breaking Down Walls. Building Up Kids

GRADES: K-8 | WARD: SOUTH | ENROLLMENT: 400 | SCHOOL CODE: 732

About Our School
Mission: Achieve Community Charter School builds innovators who graduate college ready to solve the world’s next set of challenges.

Vision: The vision of the Achieve Community Charter School is to provide a K-12 continuum that fosters the individual needs of students as they develop the skills, character, and values that will prepare them for college and empower them to use their unique perspective as an asset to shape our country’s future.

Unique Fact
We provide our families with financial, food, housing, employment, medical and mental health resources and services.

About Our School

The staff at Ann Street School embraces the belief that all students can learn. Our goal is to provide all children, the educational opportunity which will prepare them to function socially, economically and politically in a democratic society; further, to prepare each child to live a worthwhile life and become a source of community pride and pride for our nation as a whole.

Unique Fact

We are the largest enrolled elementary school and service the largest elementary bilingual population in the district.

About Our School
Ridge Street School is a K-8 school which educates nearly 650 students. It is our mission to develop our students academically, emotionally, physically, and socially. Our goal is for students to become life-long learners who will think critically and creatively; making intelligent choices in everyday life situations.

Unique Fact
Students engage in a wide variety of co-curricular activities which support the development of the whole child.

Sir Isaac Newton Elementary School is a science themed school, serving students in Pre-K 3 through Grade 3. At Sir Isaac Newton Elementary School, our goal is to challenge our students daily through project based learning. We commit to providing a safe and nurturing environment for our students, while preparing them to be innovators of the future as we tap into their genius and unlimited potential.

Sir Isaac Newton Elementary School is among the new schools that Superintendent León has opened or reopened since his appointment in May 2018.

Unique Fact
Our classes encompass hands-on learning to empower students to be innovative in solving real-world challenges to prepare them for their High School experience at Science Park High School. All graduates of Sir Isaac Newton Elementary School are guaranteed admission to Science Park High School.

About Our School

At South Seventeenth Street School, we are raising the bar to increase student achievement through the effective implementation of our standards based curriculum, to elevate the rigor of our daily instructional practices. Student achievement growth is measured socially, emotionally, and academically. South Seventeenth Street School is a community where children are learning everyday.

Unique Fact

Our new dance studio will help us continue to engage students in a wide variety of activity to support the whole child.

About Our School
With a long and distinguished history, Arts High School was the first public high school for the arts in the nation. The artistic flagship of the NBOE, today’s Arts High offers rigorous artistic and academic programs for grades 9-12, enabling post-secondary matriculation to many of the best institutions in the country. Arts majors are offered in dance, drama, music, TV and media, and visual art.

Unique Fact
While primarily an arts school, Arts High’s traditional academic program also offers Honors, Pre-AP, AP, and Dual Enrollment.

About Our School
Barringer high school was established in 1838, making us the oldest high school in New Jersey and one of the oldest in the Nation. Here at Barringer our mission is to prepare all students to become lifelong learners and responsible citizens ready to meet the challenges of the future. As educators, we understand the four R’s: Relevance + Rigor + Relationships = Results. We aim to provide a learning environment that promotes the social and emotional growth of every student, along with multiple opportunities to experience new methods of learning.

Unique Fact
Our premiere academy is the Law Academy. We also offer a differentiated Career and Technical Education programs such as carpentry, music technology, Law and Public Safety, Cybersecurity and Junior ROTC. In addition, we offer students a variety of Visual and Performing Arts courses such as Dance, Art, Vocal Music and Drama.

University High School is a college preparatory magnet school in the city of Newark, educating roughly 500 students in grades seven through twelve. Since inception in 1969, the main objective of University High School has been to prepare each student for college. We offer a rigorous humanities curriculum with opportunities for Advanced Placement and dual enrollment college level courses.

**Unique Fact**
At University High School, our scholars R.I.S.E. (Responsibility, Integrity, Service, and Excellence) everyday in every way! University High School houses the Thurgood Marshall Law Academy aimed at preparing future lawyers of tomorrow.

PROGRAM DESCRIPTION

In accordance with New Jersey Bilingual Education Administration Code, the Newark Board of Education provides the following bilingual programs to English Language Learners with the goal of supporting linguistic and academic achievement in more than one language.

Types of Programs

Transitional Bilingual Education
A transitional Bilingual Education Program provides instruction for English learners utilizing English and students’ native language for literacy and academic instruction, with the goals of language proficiency and academic achievement in English.

These programs are typically found in kindergarten through grade twelve.

Transitional Bilingual - Full Time

- Instruction in speaking, listening, reading, and writing in the native language of the English Language Learner in core subjects.
- Helps students achieve proficiency in English, as well as content knowledge to meet the New Jersey Student Learning Standards.
- At least 1 daily period of English as a Second Language (ESL) instruction.

Transitional Bilingual - Part Time

- A program alternative in which students are assigned to mainstream English program classes, but are scheduled daily for their developmental reading and mathematics instruction with a certified bilingual teacher.
- Students also receive at least 1 daily period of English as a Second Language (ESL) instruction.

English as a Second Language

- A daily developmental second-language program of at least one period of instruction that teaches comprehension, speaking, reading, and writing in English using second language teaching techniques, and incorporates the cultural aspects of the students’ experiences in their ESL instruction.

English as a Second Language, High Intensity

- A program alternative in which students receive two or more class periods a day of ESL instruction. One period is the standard ESL class, and the other period is a tutorial or ESL reading class.
IDENTIFICATION PROCESS FOR ENGLISH LANGUAGE LEARNERS

In order to properly identify and support English language learners, the New Jersey Department of Education has developed an identification process which all districts must follow.

All parents/guardians complete a Home Language Survey (also known as the HLS) located in the SchoolMint application. The HLS assists in identifying if a student is a potential English language learner. The HLS is reviewed by the school’s Bilingual Needs Assessment Teacher (BNAT).

Once a student is identified as a potential English Language Learner, the BNAT will conduct a review of the student’s records during the Records Review Process.

If the Records Review Process continues to note that the student is a potential English Language Learner, the student will be assessed using the WIDA Screener and/or WAPT (Kindergarten only). The WIDA Screener and/or WAPT specifically assesses students’ English language proficiency level.

Parents/guardians of students who are assessed using the WIDA Screener and/or WAPT will be notified of student scores, and eligibility for English language services by the school’s BNAT, will receive program information from the school’s BNAT and services will be offered.
**DISTRICT SCHOOLS:** Are schools that are managed by Newark Board of Education. They are located throughout Newark and serve all grades.

**CHARTER SCHOOLS:** Charter schools are operated by their own Local Education Agency (LEA). Charter schools are free of charge and are open to all students living in Newark. Charter schools are located throughout Newark and serve all grades.

**MAGNET AND SPECIALIZED SCHOOLS:** Magnet and specialized schools are NBOE Schools that offer specialized programs in grades 7-12 or 9-12. Any student can apply to attend a magnet or specialized school. Magnet and specialized schools consider academic and other criteria to rank students.

**HEAD START:** A school with Head Start offers an enhanced family oriented preschool program that offers nutrition, education, health and support services including individualized services, health and dental screening, family support, community resources and services to meet special needs.
- Proof of income is required for Head Start.

**COMMUNITY BASED PROVIDER:** Preschool providers are publicly-funded, privately managed schools for students eligible for Pre-K and offer comprehensive education, family and health referral services.

**SIBLING PREFERENCE:** Applicants who have siblings already matched to a school will have the highest priority to be matched to the school when there are seats available.

**GEOGRAPHIC PREFERENCE:** Students who apply to PK-8 schools in their geographic area will receive preference to be matched to those schools.

**SPECIAL EDUCATION PREFERENCE:** Students who have an Individualized Education Plan (IEP) and require special education services may receive a preference to be matched to a school of their choice that provide the services required by their IEP.

**WAITLIST:** Students who submit applications, but are not matched to schools through the application, are automatically added to a waitlist. **This only applies to charter school and district magnet school applicants.**

**SCREENED:** District magnet schools have additional criteria that students must meet to be considered.
