Dear Newark Families,

I am excited to share the fifth year of our improved Newark Enrolls school guidebook with you. For each of the 70+ schools that participate in Newark Enrolls, you will find a one-page profile that provides you with important information about the school in our unified enrollment system process. This year, we are excited to introduce our partnership with SchoolMint, our new online platform that will simplify the online application. Overall, the process will remain the same, the only difference families will experience is improvements such as mobile features, an interactive school finder, and a streamlined registration process. As our partnership with SchoolMint continues, we will be introducing additional features.

This year’s guidebook includes:

- A full page of family-friendly information for every participating PK-12 school
- Details about sports, clubs, community partnerships, and before and after school opportunities
- More robust academic performance data (e.g.: NJSLA scores; high school graduation rates)

We hope that this guidebook will help you choose schools that will provide the best education possible for your child and set them on a path for success.

In addition, over the last few years we have collected feedback from families, students, educators, and community leaders about how to make the enrollment process better and ensure that it works for you. We have taken your feedback into consideration and have made on-going improvements in the following ways:

- Created a family friendly online application
- Improved sibling matching to ensure siblings are placed in the same school, whenever possible
- Increased priority for geographic preference to ensure that all children (from within the neighborhood) have access to neighborhood schools first, before students from outside the neighborhood

Families that are interested in participating in the enrollment process should visit www.newarkenrolls.org to:

- Learn about school options through the new School Finder system
- View a calendar of open houses and enrollment events taking place at schools throughout the city
- Submit an application for their children

The application process dates are:

- December 7, 2019 - School Fair at Barringer High School - 10:00 am
- December 7, 2019 - Application Window Opens
- February 14, 2020 - Application Window Closes
- February 21, 2020 - Admissions Test for NBOE 8th graders
- February 22, 2020 - Admissions Test for Non-NBOE 8th graders

We hope that your children are enjoying their school year, and look forward to supporting them as you consider your school options for the 2020-2021 school year.

Sincerely,

Roger León
Superintendent
Newark Board of Education
Welcome to the Newark Enrolls Guidebook!

This guidebook is intended to provide information to help you make a school choice for your child(ren) in the city of Newark through the Newark Enrolls Universal Enrollment application process. All families are given the opportunity to choose the right school for their child(ren) at almost every school in Newark – this also means that families MUST make a choice, generally via the Newark Enrolls application, because students will not be automatically placed in the school nearest to their home.

How to begin choosing a school?

This book is a great place to start! Consider some of these points:

<table>
<thead>
<tr>
<th>What does your child enjoy most about school?</th>
<th>• Newark offers a variety of school options. This book is designed to give you an overview of the academic rigor and extracurricular opportunities that each school offers. Each school has a full-page profile filled with information. • This book includes district public schools (operated by the Newark Board of Education) and many, but not all, charter schools (operated by independent organizations, yet adhering to the same educational requirements as district schools). Some charter schools do not participate in the Newark Enrolls Universal Enrollment application process, so they are not included in this book.</th>
</tr>
</thead>
<tbody>
<tr>
<td>What experience do you want your child to have at school?</td>
<td>• Find information regarding special education and physical accessibility on page 104. • Find information regarding bilingual/ESL programs on page 110. • Find information on private pre-k providers along with NBOE providers (both offer the same curriculum for pre-kindergarten children) start on page 18.</td>
</tr>
<tr>
<td>Does your child have any special considerations?</td>
<td>Find all of that information on each school profile, on the top and on the right side of the page.</td>
</tr>
<tr>
<td>Practical information: Where is the school? How long is the commute? Are before-school or afterschool care available?</td>
<td>A school visit is always an option for you. Making a school choice can (and should) include more information than this book contains. Talking with staff and seeing the school in person can be extremely informative, and is encouraged. Please call the school before making your visit. Phone numbers for schools are included on each school’s profile page in this book.</td>
</tr>
<tr>
<td>Visit the school!</td>
<td>In order to submit your application, verify this information: • Does the school participate in Newark Enrolls? (All NBOE district schools and most charter schools do.) Non-participating charter schools will require separate applications. Please contact the school directly. • The application window for next school year is December 7, 2019 - February 14, 2020 of the current school year. If it is after February, visit any NBOE school and speak with a school enroller.</td>
</tr>
</tbody>
</table>

FREQUENTLY ASKED QUESTIONS ABOUT THE NEWARK ENROLLS PROCESS

Visit www.newarkenrolls.org for the most up to date information on the application, frequently asked questions, and matching policies.

1. Will my student receive their first choice?
   • The only reason a Newark student would not get into his or her first choice would be if the school does not have enough seats for all applicants.
   • When a student does not receive his or her first choice, the matching process will move down the student’s list of schools in order to place the student in his or her highest-ranked school with available seats.

2. How many families get into their top choice, or any of their top 3 choices?
   • Last year, 82% of Kindergarten families got their first choice. 89% of Kindergarten families got one of their top 3 choices.

3. Can my student be matched to a school that isn’t listed on his/her application?
   • In rare cases, if a student needs a new school (e.g. 8th grade) and only lists one or two schools, the student may be matched to their neighborhood school if the number of applicants exceeds the number of seats at their ranked schools.
   • Applicants are never matched to a charter school unless they list it on their application.

4. I would like my children to attend the same school as their sibling. What should I do?
   • With the exception of magnets, applicants who have a sibling currently attending the school receives the highest priority at the school.
   • Siblings who are applying at the same time receive priority to be matched together. If one of the students is matched to a school, his/her sibling(s) will be given preference to be matched to the same school.

5. How does the neighborhood preference work?
   • Seats in these schools are prioritized for siblings first. All remaining seats are prioritized for students who live within the neighborhood.

6. How does the magnet school matching process work?
   • All 7 district magnet schools have admission criteria. These schools rank all applicants using different criteria including standardized test scores, grades, and attendance. Some may also require an audition or an interview.
   • All students can apply for admission into a magnet school.
   • Sibling priority does not apply to magnet schools.
   • Please review the magnet criteria information listed on the school’s information page or visit: www.newarkenrolls.org for the most up-to-date information.

APPLICATION PROCESS

Stage 1
DECEMBER 7 - FEBRUARY 14

Who should fill out an application?
• Students who are enrolling in school for the first time.
• Students who are in the last grade of their current school and need a new school for next year.
• Students who need a change in their school for next year.

How will families learn about their offer?
• Families can log into their Newark Enrolls account if they submitted an application online at www.newarkenrolls.org.
• Families can also learn about the status of their application at their current school.

Stage 2
MID APRIL

Stage 3
MID APRIL - JUNE 5

School Registration/Enrollment

When you receive a match:
• You must register at your new school.
**TIPS FOR APPLYING**

<table>
<thead>
<tr>
<th>COMPLETE THE APPLICATION ONLINE</th>
<th>COMPLETE A PAPER APPLICATION</th>
</tr>
</thead>
</table>
| **STEP 1:** Visit the Newark Enrolls website:  
  • [www.newarkenrolls.org](http://www.newarkenrolls.org) | **STEP 1:** Pick up a paper application from your school. |
| **STEP 2:** Complete the application by the **February 14, 2020** deadline date. | **STEP 2:** Fill out and return the paper application to your school or 765 Broad Street by **February 14, 2020**. |

**TIPS FOR APPLYING**

- **Submit your application during the application window before February 14!**
  - All families who apply during this period have an equal chance of being matched to schools.
  - Families who apply after the application deadline will only have access to schools with remaining seats.

- **Rank your schools on the application in order of preference.**
  - **Put a mix of school types on your application.**
    - For HS students, in addition to the most popular schools, make sure to include schools that match your academic profile and non-magnet schools.
    - All magnet schools rank students based on academic profile which includes grades, attendance, and state test scores. In some cases, an additional audition, writing assessment, or interview may be required.

- **Check the commute for all schools on your list.**
  - **Make sure you have a transportation plan for each one, since you may be matched to any school on your application.**
    - Students in 8th grade or below, are eligible for New Jersey Transit bus tickets if they live more than 2 miles from their school.
    - Students in 9th grade or above are eligible for New Jersey Transit bus tickets if they live more than 2.5 mile from their school.

*Visit [www.newarkenrolls.org](http://www.newarkenrolls.org) for the most up to date information on the application timeline, frequently asked questions, and resources.*

</tbody>
</table>

| **Additional School Data** |  |
| Average Daily Attendance | The average daily attendance was calculated by adding all of the total present days of attendance for all students divided by the total days enrolled for all students. For charter schools this information was self-reported. |
| Percentage of Students Chronically Absent | Percent of students who are “chronically absent” for any reason, e.g., excused, unexcused, etc. during the 2018-2019 School year. “Chronically absent” is defined as missing 10% or more of the days the student is enrolled. For charter schools this information is self-reported. |
| AP Enrollment Rate | AP Participation rate was calculated by dividing the number of students enrolled in at least one AP course by the total number of students enrolled as of October, 15th, 2017. |

| **Percentage of Students who scored proficient and above on PARCC** |  |
| English Language Arts | New Jersey requires students to take the PARCC assessments. These tests are designed to determine proficiency level mastery of the state standards for their current grade level. The percentage reflects the proportion of students who scored “proficient” or above on the 2018-2019 PARCC exam. |
| Mathematics |  |

| **Average Section Size** |  |
| Elementary | For elementary/middle grades the average section size is calculated based on the number of students in each homeroom section. Sections containing multiple grade levels taught by the same teacher at the same time were summed together. Data pulled June, 2019. |
| High School | For high school grades the average section size is calculated based on the number of students in typical sections, excluding self-contained, lunch, and online sections. Sections taught by the same teacher at the same time were summed together. Data pulled June 2019. |

| **Access to Technology** |  |
| Number of devices available for student use per school | Calculated from internal technology inventory. Devices include: laptops, Chromebooks, and iPads. |

| **Graduation Rates** |  |
| 4-Year Graduation Rate | This represents the percentage of students at the school who entered 9th grade four years earlier (in Fall 2015) and graduated in 2019. This indicator also includes transfers into the school and excludes students who were verified as transferring out. For charter schools this information is self-reported. |

| **Postsecondary Enrollment Rates** |  |
| Total Percent Enrolled | This represents the percentage of high school 2017 graduates who enrolled in a post-secondary institution by fall 2018. The available data is from the New Jersey Department of Education 2018-2019 Performance Reports. |
| Percent Enrolled in a 2-Year College | This represents the percentage of high school graduates who enrolled in a two-year post-secondary program of students who enrolled in any post-secondary school. |
| Percent Enrolled in a 4-Year College | This represents the percentage of high school graduates who enrolled in a four-year post-secondary program of students who enrolled in any post-secondary school. |

| **Teacher Data** |  |
| Percent of Teachers employed with NBOE for 5+ years | The percent of teachers with five of more years of experience as of the end of the 2018-19 school year. This indicator excludes experience gained outside of NBOE. Positions include all instructional staff (i.e., all those evaluated on the Framework for Effective Teaching) at school sites. Instructional staff includes all subject teachers and academic interventionists. This indicator excludes administrators. |
| Percent of Highly Effective and Effective Teachers retained from 2017-18 to 2018-19 | The percentage of teachers from the previous academic year (2017-18) still employed as teachers at the same school this academic year (2018-19) who received an effective or highly effective evaluation rating. These indicators describe school retention and not retention in the district. |
| Student-Teacher Ratio | The ratio of student enrollment to certified teachers. Students were defined as those actively enrolled during the 2018-19 school year. Teachers were defined as those employees, as of June, 2019, with teacher certifications and includes Academic Interventionist and Teachers. |
| Percent of Teachers with advanced degrees | Percent of teachers at each school whose highest level of education is either a Masters or Doctoral Degree. This data is from the 2018-19 NJDOE performance reports. |

ECC: WEST
Early Childhood Center
Strengthening Families, One Child at a Time!

**GRADES: PK3-PK4 | WARD: WEST | ENROLLMENT: 129 | SCHOOL CODE: 100**

**About Our School**
We are a safe and nurturing learning environment committed to creating and sustaining a high-quality preschool program that supports the development of the whole child. We encourage them to “REACH” for success by being respectful, excited about learning, in attendance daily, curious and helpful to others.

**Unique Fact**
Our school services only pre-kindergarten 3 and 4 year old students.

About Our School
Abington Avenue School is a PK-8 public school with an emphasis on Science, Technology, Engineering, Arts and Math (STEAM). As a STEAM school, our vision is to be the preeminent leader in STEM and Arts education by combining academic rigor with social responsibility and mastery of the process of scientific inquiry. We offer extra-curricular programs and club activities, in reading, writing, math, science, coding, drama, and the performing arts.

Unique Fact
We were awarded the Newark STEAM Coalition Grant for a second year in a row. We continue to work with Disney Junior musicals. We are proud to announce that we have added Drama to our activity teacher line up this year to enhance our arts programming.

About Our School
Achieve Clinton Hill Charter School builds innovators who graduate college ready to solve the world’s next set of challenges. Our vision is to provide a Pre-K - K-12 continuum that fosters the individual needs of students as they develop the skills, character and values that will prepare them for college and empower them to use their unique perspective as an asset to shape our country’s future. Achieve is managed by BRICK Education Network.

Unique Fact
Achieve students benefit from a robust curriculum consisting of academic rigor, social-emotional learning, art and music.

About Our School
Our goal is to provide all children, regardless of socioeconomic status, race, ethnic background or ability, the educational opportunity which will prepare them to function socially, economically and politically in a democratic society. Further, our goal is to prepare each child to live a worthwhile life and become a source of community pride and our nation as a whole.

Unique Fact
We are a school of mathematics and science while offering electives in vocal music, fine arts, and dance theater.

About Our School

Our core values are captured in the word, DREAM: Diligence, Respect, Empathy, A+ Self-Control, and Model Student. Our mission is to cultivate these values in our students, so they become lifelong learners, who then become skilled leaders. We value hard work and commitment from the entire community of staff, scholars, administration, parents and families.

Our ultimate goal is to ensure that our scholars are college ready and productive citizens.

Unique Fact

People across the world can view our mural of First Lady Michelle Obama as they depart and arrive from Newark Liberty International Airport.

East Ward Elementary School

EAST WARD ELEMENTARY SCHOOL
Respect, Responsibility, Perseverance

GRADES: PK-3 | WARD: EAST | ENROLLMENT: 283 | SCHOOL CODE: 115

About Our School
East Ward Elementary was established in 2019 in the Ironbound section of Newark. The school consists of roughly 283 students ranging in grades Pre-K-2. We will increase a grade level each year until 8th grade. It is our vision, as a school community, to build a school where each child is prepared to accept responsibility for their academics and behavior to teach students to respect everyone, regardless of race, nationality, economic status, or ability.

Unique Fact
The most unique thing about East Ward Elementary is that we will increase in grades to eventually become a Pre-k-8 school.

SIR ISAAC NEWTON ELEMENTARY SCHOOL

GRADES: PK-1 | WARD: CENTRAL | ENROLLMENT: NA | SCHOOL CODE:

About Our School
Newton Street School will reopen its doors in September 2020 under the new name Sir Isaac Newton Elementary School. This science themed school will serve students in grades Pre-K through 1 with the expectation of increasing one grade level each academic school year. At Sir Isaac Newton Elementary School, our goal will be to challenge our students daily through project based learning and to stimulate our students’ love for Science. Our teachers will develop structures in which rigor and high expectations are evident in every classroom. At Sir Isaac Newton Elementary, we commit to providing a safe and nurturing environment for our students while preparing them to be innovators of the future as we tap into their genius and unlimited potential.

Newton Street School first opened in 1867, and due to district reorganization was closed in 2014.

Sir Isaac Newton Elementary School will be among four new schools that Superintendent León will open or reopen since his appointment in May of 2018.

About Our School
South Street School believes that education is a means to fulfill dreams. Our goal is to provide the foundation that our young students need to build upon so that they can be successful in high school and beyond. Our mission is to inspire a love for learning, a quest for excellence, and a compassion for humanity.

Academic Spotlight
We offer a Spanish and Portuguese language bilingual program. We also offer a preschool through 8th grade Autism program.

SUSSEX AVENUE ELEMENTARY SCHOOL
School of Mathematics

About Our School
Sussex Avenue School is comprised of teachers that ensure every student in the school is prepared for lifelong education and social involvement. With this in mind, our focus is mathematics. Through mathematics, children develop logical and critical thinking skills, recognize and make use of relationships and creatively solve problems. Our rigorous curriculum offers students courses in Geometric Modeling, Robotics and Bicycling. Students, parents, educators, and community partners are committed to fostering a love of reading and literacy comprehension through rigorous curricula and innovative programming.

Unique Fact
Students receive a handshake from the principal each morning so that they feel welcome and part of greatness.

ARTS HIGH SCHOOL
Mind, Body, and Spirit Unite in Art, and in Life

MAGNET HS | GRADES: 9-12 | WARD: CENTRAL | ENROLLMENT: 578 | SCHOOL CODE: 026

About Our School
With a long and distinguished history, Arts High School was the first public high school for the arts in the nation. As the artistic flagship of the Newark Board of Education, today’s Arts High School offers rigorous artistic and academic programs for students in grades 9-12, enabling post-secondary matriculation to many of the best institutions in the country. Arts majors are offered in dance, drama, music, TV production and visual art.

Unique Fact
While Arts High School is primarily a visual and performing arts school, we also have a very competitive academic program that offers a full range of honors and AP courses. Every student spends a minimum of 80 minutes studying in their arts major every day.

Barringer High School has a rich and unique history. We are the 3rd oldest public high school in the country. We believe that all children can achieve success even in adverse circumstances. Knowledge is a powerful antidote for ignorance and provides the defense our students need to combat the lure of negative influences they confront on a daily basis. As educators, we must understand the four R’s: Relevance + Rigor + Relationships = Results.

Our premiere academy is the William J. Brennan, Jr. Institute of Law, we also offer a differentiated Arts and Carpentry Programs.

EAGLE ACADEMY FOR YOUNG MEN

“It’s easier to build strong children than to repair broken men” - Frederick Douglass

About Our School
The mission of The Eagle Academy for Young Men of Newark is to develop young men committed to the pursuit of academic excellence, strong character, and responsible leadership.

Opened in September 2012, the Eagle Academy for Young Men of Newark is the first and only all-male public school in the state of New Jersey. Our school is a collaboration between the Newark Board of Education and the Eagle Academy Foundation.

Malcolm X Shabazz High School

The future belongs to those who prepare for it today

GRADES: 9-12 | WARD: CENTRAL | ENROLLMENT: 374 | SCHOOL CODE: 031

About Our School
Malcolm X Shabazz High School provides each scholar with a rigorous curriculum to ensure college and career readiness, cultivates leadership, upholds a commitment to community and Bulldog PRIDE. Perseverance, Resilience, Integrity, Determination, Excellence! We believe education does not start or end in the classroom. True learning occurs at all times, when you succeed, when you fail, when you make mistakes, and when you accomplish your goals. We believe that as a school, we are teaching all the time. Every hallway interaction, home visit, and family meeting communicates who we are, what we value, and why we are here.

Unique Fact
The Engineering Academy is an interdisciplinary, small learning community where scholars examine real world problems.

NEWARK SCHOOL OF GLOBAL STUDIES

GRADES: 9 | WARD: NORTH | ENROLLMENT: NA | SCHOOL CODE:

About Our School
The Newark School of Global Studies is a four year public magnet high school that will provide students with an immersive academic experience to prepare them to be innovative thinkers in a competitive, global 21st century society. The Newark School of Global Studies is a place where a diverse student body will converge in a school with no borders. The curriculum fosters fluency in a second language, immersion in a foreign culture and the exchange of ideas via advanced technology. Students are engaged in a meaningful way in the sphere of international relations as they tackle the great global issues of our time within an academic framework. Our three internal academies focusing on Diplomacy, International Business and the Humanities will facilitate the application of a global studies education to life-long career choices. The Newark School of Global Studies creates problem solvers for the world.

Unique Fact
Students will have the opportunity to participate in a Junior-year Study Abroad program in China. We offer four year second language acquisition in Arabic, Chinese, French, & Spanish.

UNIVERSITY HIGH SCHOOL
RISE Like the Phoenix!

MAGNET HS | GRADES: 7-12 | WARD: SOUTH | ENROLLMENT: 459 | SCHOOL CODE: 024

About Our School
University High School has historically been synonymous with academic excellence within the city of Newark and beyond. We are a magnet school serving roughly 500 students in grades 8 through 12. Our modest student population allows meaningful relationships with all students and small class sizes. With a focus on preparing students for success and leadership in the fields of Liberal Arts and Humanities, we offer a rigorous curriculum with opportunities for Advanced Placement and college level courses.

Unique Fact
Thurgood Marshall Law Academy students attend classes in a fully functional courtroom housed at University High School.

WEEQUAHIC HIGH SCHOOL
One Family, One School, One Community - Striving for Excellence!

About Our School
Weequahic High School’s mission is to provide a safe environment in order to ensure that all students graduate ready for college and/or career pathway equipped with the academic, social, and critical thinking skills necessary for success in the 21st Century. Weequahic’s Allied Health Sciences program allow students to gain real world skills in healthcare, with a major emphasis on aligning to industry standards. Some highlights of being apart of our Allied Health Sciences program include: college credit, clinicals, and hospital partners. Our students deliver quality patient care while performing medical processes and diagnostics procedures in our new state of the art actual and simulated clinical environments.

Unique Fact
Jobs For America’s Graduates: student exposure to leadership activities, civic responsibility, and social awareness activities.

About Our School
The mission of West Side High School is to prepare all of our students for college, career, and citizenship. We provide a safe, clean, positive, and supportive learning environment in which all students can develop socially, emotionally, and academically. We want all children to be in position to lead lives of enduring quality and accomplishments. Our school mission statement is RIP - Relationships, Innovation, Passion. Our vision statement is that from the moment students enter our doors to the point they are gainfully employed and making a living wage, we will be by their side.

Academic Spotlight
Dual Credit Program - West Side offers 5 college courses offered in 2019-2020 with Felician College & ECC. We also offer AP courses.

About Our School
John F. Kennedy provides students ages 13-21 who have multiple disabilities with a specialized program that will give them the tools needed to navigate their communities upon graduation. Our functional curriculum is data-based and used to meet the diverse needs of all learners. Students take part in Co-curricular activities such as the Arts, swimming, Special Olympics as well as inclusion activities with other comprehensive High Schools.

Unique Fact
“Transition Academy Program” students ages 18-21, receive intense instruction on life skills, job training, and other areas.

**DISTRICT SCHOOLS:** Are schools that are managed by Newark Board of Education. They are located throughout Newark and serve all grades.

**CHARTER SCHOOLS:** Charter schools are operated by their own Local Education Agency (LEA). Charter schools are free of charge and are open to all students living in Newark. Charter schools are located throughout Newark and serve all grades.

**MAGNET SCHOOLS:** Magnet schools are NBOE Schools that offer specialized programs in grades 7-12 or 9-12. Any student can apply to attend a magnet school. Magnet schools consider academic and other criteria to rank students.

**HEAD START:** A school with Head Start offers an enhanced family oriented preschool program that offers nutrition, education, health and support services including individualized services, health and dental screening, family support, community resources and services to meet special needs.
- Proof of income is required for Head Start.

**COMMUNITY BASED PROVIDER:** Preschool providers are publicly-funded, privately managed schools for students eligible for Pre-K and offer comprehensive education, family and health referral services.

**SIBLING PREFERENCE:** Applicants who have siblings already matched to a school will have the highest priority to be matched to the school when there are seats available.

**GEOGRAPHIC PREFERENCE:** Students who apply to PK-8 schools in their geographic area will receive preference to be matched to those schools.

**SPECIAL EDUCATION PREFERENCE:** Students who have an Individualized Education Plan (IEP) and require special education services may receive a preference to be matched to a school of their choice that provide the services required by their IEP.

**WAITLIST:** Students who submit applications, but are not matched to schools through the application, are automatically added to a waitlist. **This only applies to charter school and district magnet school applicants.**

**SCREENED:** District magnet schools have additional criteria that students must meet to be considered.
